House Bills

HB 1410 by Representatives Veloria, Cody, Campbell, Romero, Kenney, Tokuda, Cooper, McIntire, Wood, Linville and O'Brien

Requiring fire safety standards for cigarettes.

Provides that no person may sell cigarettes in this state unless the manufacturer of the cigarettes certifies in writing to the liquor control board that the cigarettes meet fire safety standards adopted by the Washington state patrol under this act.

Directs the Washington state patrol, in consultation with the department of health, to adopt fire safety standards for cigarettes sold in this state. Standards must ensure either of the following:

(1) That cigarettes, if ignited, will stop burning within a specified time period if the cigarette is not smoked during that time period; or

(2) That cigarettes meet performance standards that limit the risk of the cigarette igniting upholstered furniture, mattresses, or other household furnishings.

Provides that any wholesaler defined under RCW 82.24.010 who knowingly sells cigarettes in violation of this act is subject to a civil penalty not to exceed ten thousand dollars per sale.

Provides that any retailer defined under RCW 82.24.010 who knowingly sells cigarettes in violation of this act is subject to the following:

(1) A civil penalty not to exceed five hundred dollars per each sale of cigarettes provided that the total number of cigarettes sold per each sale does not exceed one thousand; or

(2) A civil penalty not to exceed one thousand dollars per each sale of cigarettes provided that the total number of cigarettes sold per each sale exceeds one thousand.

HB 1600 by Representatives Simpson, Roach, Hatfield, Benson, Wood, Romero, Keiser, Darneille and Santos

Establishing a do not call list.

Directs the department of licensing to provide for the establishment and operation of a public listing of residential telephone numbers whose subscribers have affirmatively requested not to receive commercial telephone solicitations.

Requires the department of licensing and the utilities and transportation commission to make reasonable efforts to publicize the availability of the public listing and the method or methods by which residential telephone subscribers may have their telephone numbers placed on the list.

Declares that it is unlawful and a violation of this act for any person to make a commercial telephone solicitation before first obtaining a copy of the most recent national telephone preference service list available before making the commercial telephone solicitation call.

Declares that it is unlawful and a violation of this act for any person to make a commercial telephone solicitation call to any residential telephone number that is contained on the public listing under this act and which has been on the quarterly transmitted list of the national telephone preference service for at least sixty days.

Provides that, in addition to any other penalties or remedies available under this chapter or chapter 19.86 RCW, a person injured by a violation of this act may bring an action for recovery of liquidated damages in the amount of one thousand dollars per violation, plus court costs and attorneys' fees.

Creating alternative routes to teacher certification.

Finds and declares: (1) Teacher qualifications and effectiveness are the most important influences on student learning in schools.

(2) Preparation of individuals to become well-qualified, effective teachers must be high quality.

(3) Teachers who complete high-quality alternative route programs with intensive field-based experience, adequate coursework, and strong mentorship do as well or better than teachers who complete traditional preparation programs.

(4) High-quality alternative route programs can provide more flexibility and expedience for individuals to transition from their current career to teaching.

(5) High-quality alternative route programs can help school districts fill subject matter shortage areas and areas with shortages due to geographic location.

(6) Regardless of route, all candidates for teacher certification must meet the high standards required by the state.

Requires the Washington state institute for public policy to submit an interim evaluation of partnership grant programs funded under this act to the Washington professional educator standards board by December 1, 2002. Creating the board of dental hygiene.

Provides that, in addition to other duties specified in chapter 18.29 RCW, the board has the following powers and duties:

(1) To develop and administer, or approve, or both, examinations to applicants for licensure under this chapter;

(2) To pass upon the qualifications of applicants for a license and to certify to the secretary duly qualified applicants;

(3) To adopt rules not inconsistent with the laws of this state as may be deemed necessary or proper to carry out the purposes of this chapter;

(4) To establish and administer requirements for continuing competency, which shall be a prerequisite to renewing a license under this chapter;

(5) To keep an official record of all board proceedings, which record shall be evidence of all proceedings of the board that are set forth in the official record; and

(6) To adopt rules not inconsistent with the laws of this state, when it deems appropriate, in response to questions put to it by professional dental related associations, dental hygienists, and consumers in this state concerning the authority of dental hygienists to perform certain acts.

Repeals RCW 18.29.110, 18.29.130, 18.29.170, 18.29.190, and 18.29.200.
